## What is the Equality Torch Relay

Bringing the San Diego Region together to unite all with the promise of achieving full equality for all people.

The Equality Torch Relay will be carried by hundreds and hopefully thousands of equal rights supporters to the steps of City Hall in every city in San Diego County. The Relay will inspire courage for many, and be a cause of reflection for those who haven't considered how LGBT discrimination could affect someone they love. Some will walk, some will run, some will drive and together we will inspire our community as we raise awareness of the Lesbian, Gay, Bisexual and Transgender San Diegans who embody our community's rich history of courage, spirit, achievement, and activism.
